Received ES; 1 Dec 89

The Honorable William H. Webster
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Judge Webster:

The Committee on Government Operations is examining the personnel policies of all government agencies relating to the designation of positions as "sensitive" and the determination of suitability of individuals for those positions. In order for the Committee to advance its inquiry it is necessary for us to have the information requested in the questionnaire which is attached.

The Committee's need for this information is pressing. In view of the information's straightforward nature, we ask that you complete and return the questionnaire within five (5) working days. If you have any questions or need for clarification, please contact Frank Askin or Amit Pandya at the Legislation and National Security Subcommittee.

Thank you for your prompt cooperation.

Sincerely,

John Conyers, Jr.
